

# Convactor Heater 2.0kW with Timer

Download

[Operations & Maintenance Manual \(pdf\)](#)

[Web Page \(pdf\)](#)

### **Model: 405195**

This Convactor Heater is ideal for use in any domestic or commercial room where extra or occasional heating is required. The heater is suitable for use in the home, offices, shops and workshops, but is not recommended for use in bathrooms.

The Convactor Heater is lightweight, portable and comes with a timer. The product is supplied with a cable and plug.

For maximum safety the heater includes a thermal cut-out feature to prevent overheating.

### **Key Features**
